

Project MALE Career Exploration and Fair

Career Fair Tips for Students/Parents

- **Materials for Notes:**
 - Bring something to write with and something to write on (you are encouraged to refer to your notes in subsequent days)
- **Come Prepared:**
 - Know what professions will be represented at the Career Fair. Decide in advance what professions you wish to meet or research in order to maximize your time during the actual Career Fair. Prioritize the ones you wish to meet today.
- **Dress Appropriately:**
 - A collared shirt and slacks are appropriate attire for the students.
- **Timing:**
 - Allow yourself ample time at your selected professions' tables/booth.
- **Be Flexible:**
 - Adjust your plans based on time availability and vendors present.
- **Introductions:**
 - Be sure to properly introduce yourself (name, school, grade, career interest, etc.)
