

Project MALE Program

“Boys Becoming Men of Distinction”

Project MALE (***M**aking **A**spiring **L**eaders **E**xcel*) is a collaborative effort of various organizations in Southern Dallas County united to create a student success program for African-American males in the Kindergarten through 5th grade levels (ages 5 – 11). Upon completion, 6th graders continue to participate with Project MALE through its partnership with Delta Sigma Theta Dallas Alumnae Chapter’s EMBODI program (Empowering Males to Build Opportunities and Develop Independence), which serves students ages 13-17.

Project MALE leaders have designed 2-3 hour monthly sessions connected to program objectives delivered through 5 content topics (education, social/emotional development, history/cultural awareness, self-efficiency and financial or money management, and healthy lifestyles). Monthly sessions are held each 1st Saturday at Antioch Fellowship Missionary Baptist Church.

Project MALE sessions include a college tour, a career fair, and financial literacy activities.

For more information, please call 214-212-9374 or visit our website at
