

Session 2 Lesson Plan: November 10, Do What Others Won't

Objective:

During this session, the students will learn about serving and community service. We want to focus on the fact that when you serve, you do not expect anything in return. Service is about the betterment of an individual person and to help others.

Expected Outcome:

To challenge students to participate in a community service project during the holidays or start their own. Encourage students to continue to serve beyond the holidays.

Lesson and Activities:

Each group will read an age-appropriate article about Jakhil Jackson of Chicago and *“Project I Am”*, and watch his video from the Steve Harvey Show.

Grade: Kinder-2nd:

After viewing the video, ask students to explain what they saw in the video and ways they can serve around the house or at school.
