

SOCKS FOR VETERANS

It's that time again to remember our Veterans
For their service to our country.

HOW CAN WE SAY THANKS?

Project MALE, in collaboration with American Legion Post 802, Commander Angela Herndon, will collect socks and write thank-you letters to veterans for the Christmas Holidays. Students will bring their letters and socks, for males and females, to the December 3, 2016 session.

- American Legion Post 802 will host a program to receive the socks and letters on Saturday, December 10, 2016 at 2728 Parson Avenue, 2-4pm.
- Older students can earn community service credit by assisting with packaging to deliver items to VA Hospital receiving center.
- VA does not permit students to assist with distribution of items to hospitalized veterans.
